## Single waffle irons

[GES 10](#)

### Single waffle irons GES 10

The highly conductive cast iron plates spread heat evenly and give golden, crispy waffles in 21/2 minutes. A removable drip-tray surrounding the bottom plate will collect any batter excess thus making it easy to clean.

Equipment : on/ off switch, thermostat 0 - 300°C, pilot lights, adjustable feet.

Option : special fork for waffle.

GES 10: «Brussels» mould featuring 3 x 5 squares

**Power :** 1.6 Kw

**Outside dimensions :** 305 x 440 x 230 mm

**Weight :** 19 Kg

**Volts :** 230 V

**All Single waffle irons :**
