

*More flexible food and
drink preparation.*

Two speeds with pulse

Heavy-duty clutch

911 COMMERCIAL BLENDERS

- **Flexibility...**
Perfect for a variety of uses including salsas, dips, soups, sauces, cocktails, fruit smoothies, margaritas, and more.
- **Dependability...**
This high power/lower energy consumption unit is designed to tackle professional blending demands and offer long-lasting performance.
- **Two-Speed Power...**
Two-speed versatility with pulse option provides precision blending every time.
- **Durable Stainless Steel Blades...**
Four stainless steel cutting and mixing blades ensure perfectly smooth drinks without unwanted ice or fruit chunks.
- **Container...**
Half-gallon stainless steel container has a large, easy-to-grip handle for faster access and pouring, plus a two-piece vinyl lid.
- **Easy to Service...**
Parts and accessories, like the flexible, easy-to-change neoprene clutch assembly, are available for your convenience — a service designed to increase motor life.
